## A Call for Prayer for Africa

Please pray for Africa during the International Day of Prayer for Africa (IDOPA)! AMAHORO INTERNATIONAL is pleased to invite you to join with many Christians all over the world to unite in prayer for the continent of Africa on August 21<sup>st</sup>, 2008. This year the prayers will focus on three countries in Africa facing challenges, ranging from hunger, wars, and diseases to dysfunctional governments. Burundi, Zimbabwe and Sudan need prayers! Only God in his loving kindness and grace can change the hearts of people to flow within His perfect will. Only God can dispense the miracles we need in Africa to bring about positive change. From God flow wisdom, revelation and strength to change the mindsets of political leaders, church leaders and common people towards repentance, reconciliation, reconstruction, justice, peace and prosperity.

Please pray according to these guidelines:

- 1) **For Burundi:** pray for the churches to come together for a time of Repentance, Reconciliation and Revival which will lead to the country's Reconstruction. Pray for a deeper reaching faith in Jesus Christ.
- 2) **For Zimbabwe:** pray that God would restore order, peace and justice. People are dying of hunger in a country which used to be the pride of Africa for its beauty and economy. Zimbabwe needs to come out of the political impasse which is paralyzing the lives of Zimbabweans.
- 3) **For Sudan:** Let us pray that God would restore order, justice and peace in Sudan. Let us intercede for millions of refugees, internally displaced people, Christians and the families of the victims of the Sudanese genocide. We know that "we wrestle not against flesh and blood, but against principalities and powers in high places..."

Our God always answers prayers of His children; we have seen the evidence of the power of the Holy Spirit through prayer in Burundi and recently in Kenya. "Pray without ceasing"
